Larry Leghorn (rust version)

This is the fabric cutting guide for the "Larry Leghorn" pattern (A1066) rust version. Pictured below are images of the actual fabrics along with the corresponding pattern numbers where each fabric was used, followed by the cut fabric size for one kit and instructions for cutting 12 kits. A large picture of "Larry Leghorn" is on page one to help in making fabric choices. The last page is for you to cut into quarters and include with each of the fabric kits as a guide. **Quilt finishes to 20" x 17".**

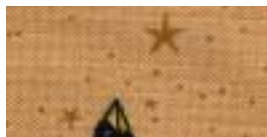

I found selecting fabrics with a lot of texture or pattern (geometric, realistic or abstract) worked best for "Larry Leghorn". Most roosters have a darker tail with tail feathers (#8-13) the darkest and a lighter head. I liked it best when the fabric for the under tail (#5, 6) was lighter or a different color than the tail feathers. The comb (#24) and waddle (#22) should be bright red with the face (#20) and back waddle (#18) dark red.

Every effort has been made to ensure the accuracy of the measurements but no guarantee has been made. If you find an error please let me know so I can correct this document. Please feel free to contact me with any questions or concerns.

Happy Cutting!

Nancy

TOTAL YARDAGE CUT FOR EACH KIT: 1 1/3 YARDS

pattern no.

1 kit

12 kits

A

16" x 10"

cut 3 strips 16" x width of fabric, subcut into 16" x 10"

Fabric from the BlackBird Acres (SKU 5139-L) collection by Nancy Murty for Andover Fabrics

B

16" x 14"

cut 4 strips 16" x width of fabric, subcut into 16" x 14"

Fabric from the BlackBird Acres (SKU 5142-L) collection by Nancy Murty for Andover Fabrics

C, 21

5" x 40"

cut 12 strips 5" x width of fabric

D

5" x 40"

cut 12 strips 5" x width of fabric

Fabric from the BlackBird Acres (SKU 5143-K) collection by Nancy Murty for Andover Fabrics

E

6" x 21"

cut 6 strips 5" x width of fabric, subcut in half along fold

Binding

8" x 42"

cut 12 strips 8" x width of fabric

Fabric from the BlackBird Acres (SKU 5140-RN) collection by Nancy Murty for Andover Fabrics
