## Fabric Kit Cutting Guidelines

*Dear Shop Owner,*

*The following pages contain the fabric cutting guidelines to run the O'Christmas Tree pattern as a row of the month program or if you want to cut a complete one time "Scrappy" fabric kit.*

*I encourage you to choose from your shop's inventory when selecting fabrics to kit the O'Christmas Tree quilt. This is a great way to work through your shop's inventory. Fabrics pictured are to help differentiate from each other and not to indicate exact color selection.*

*The last two pages contain the cutting guidelines for the "Plain Border Option", page 8 and the "Scrappy Border Option", page 9. Please follow only one of these pages.*

*Every effort has been made to ensure the accuracy of the measurements but no guarantee has been made. If you find an error please let me know so I can correct our file.*

*Please feel free to call us with any questions or concerns.*

*Warmest Wishes,*

*Nancy Murty*
